

The Arts and Learning Campus aims to create a new and vibrant hub for downtown Okotoks. The campus will provide post secondary and high school opportunities as well as expand the current library's services. The project will also include a new outdoor gathering and event space. The new development is respectful of the river valley and will showcase Okotoks as a leader in functional, sustainable design. Public participation will be an important component of the project.

## PROJECT VISION

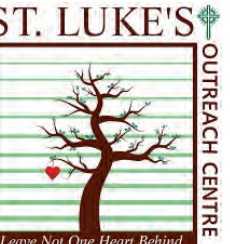

**PROJECT HAS ADDRESSED THESE KEY ISSUES:**

- Park space maintained
- Sensitive to existing park trees
- Protection of river valley
- Leadership in sustainability
- No building construction in flood-way
- Buildings designed for flood resiliency

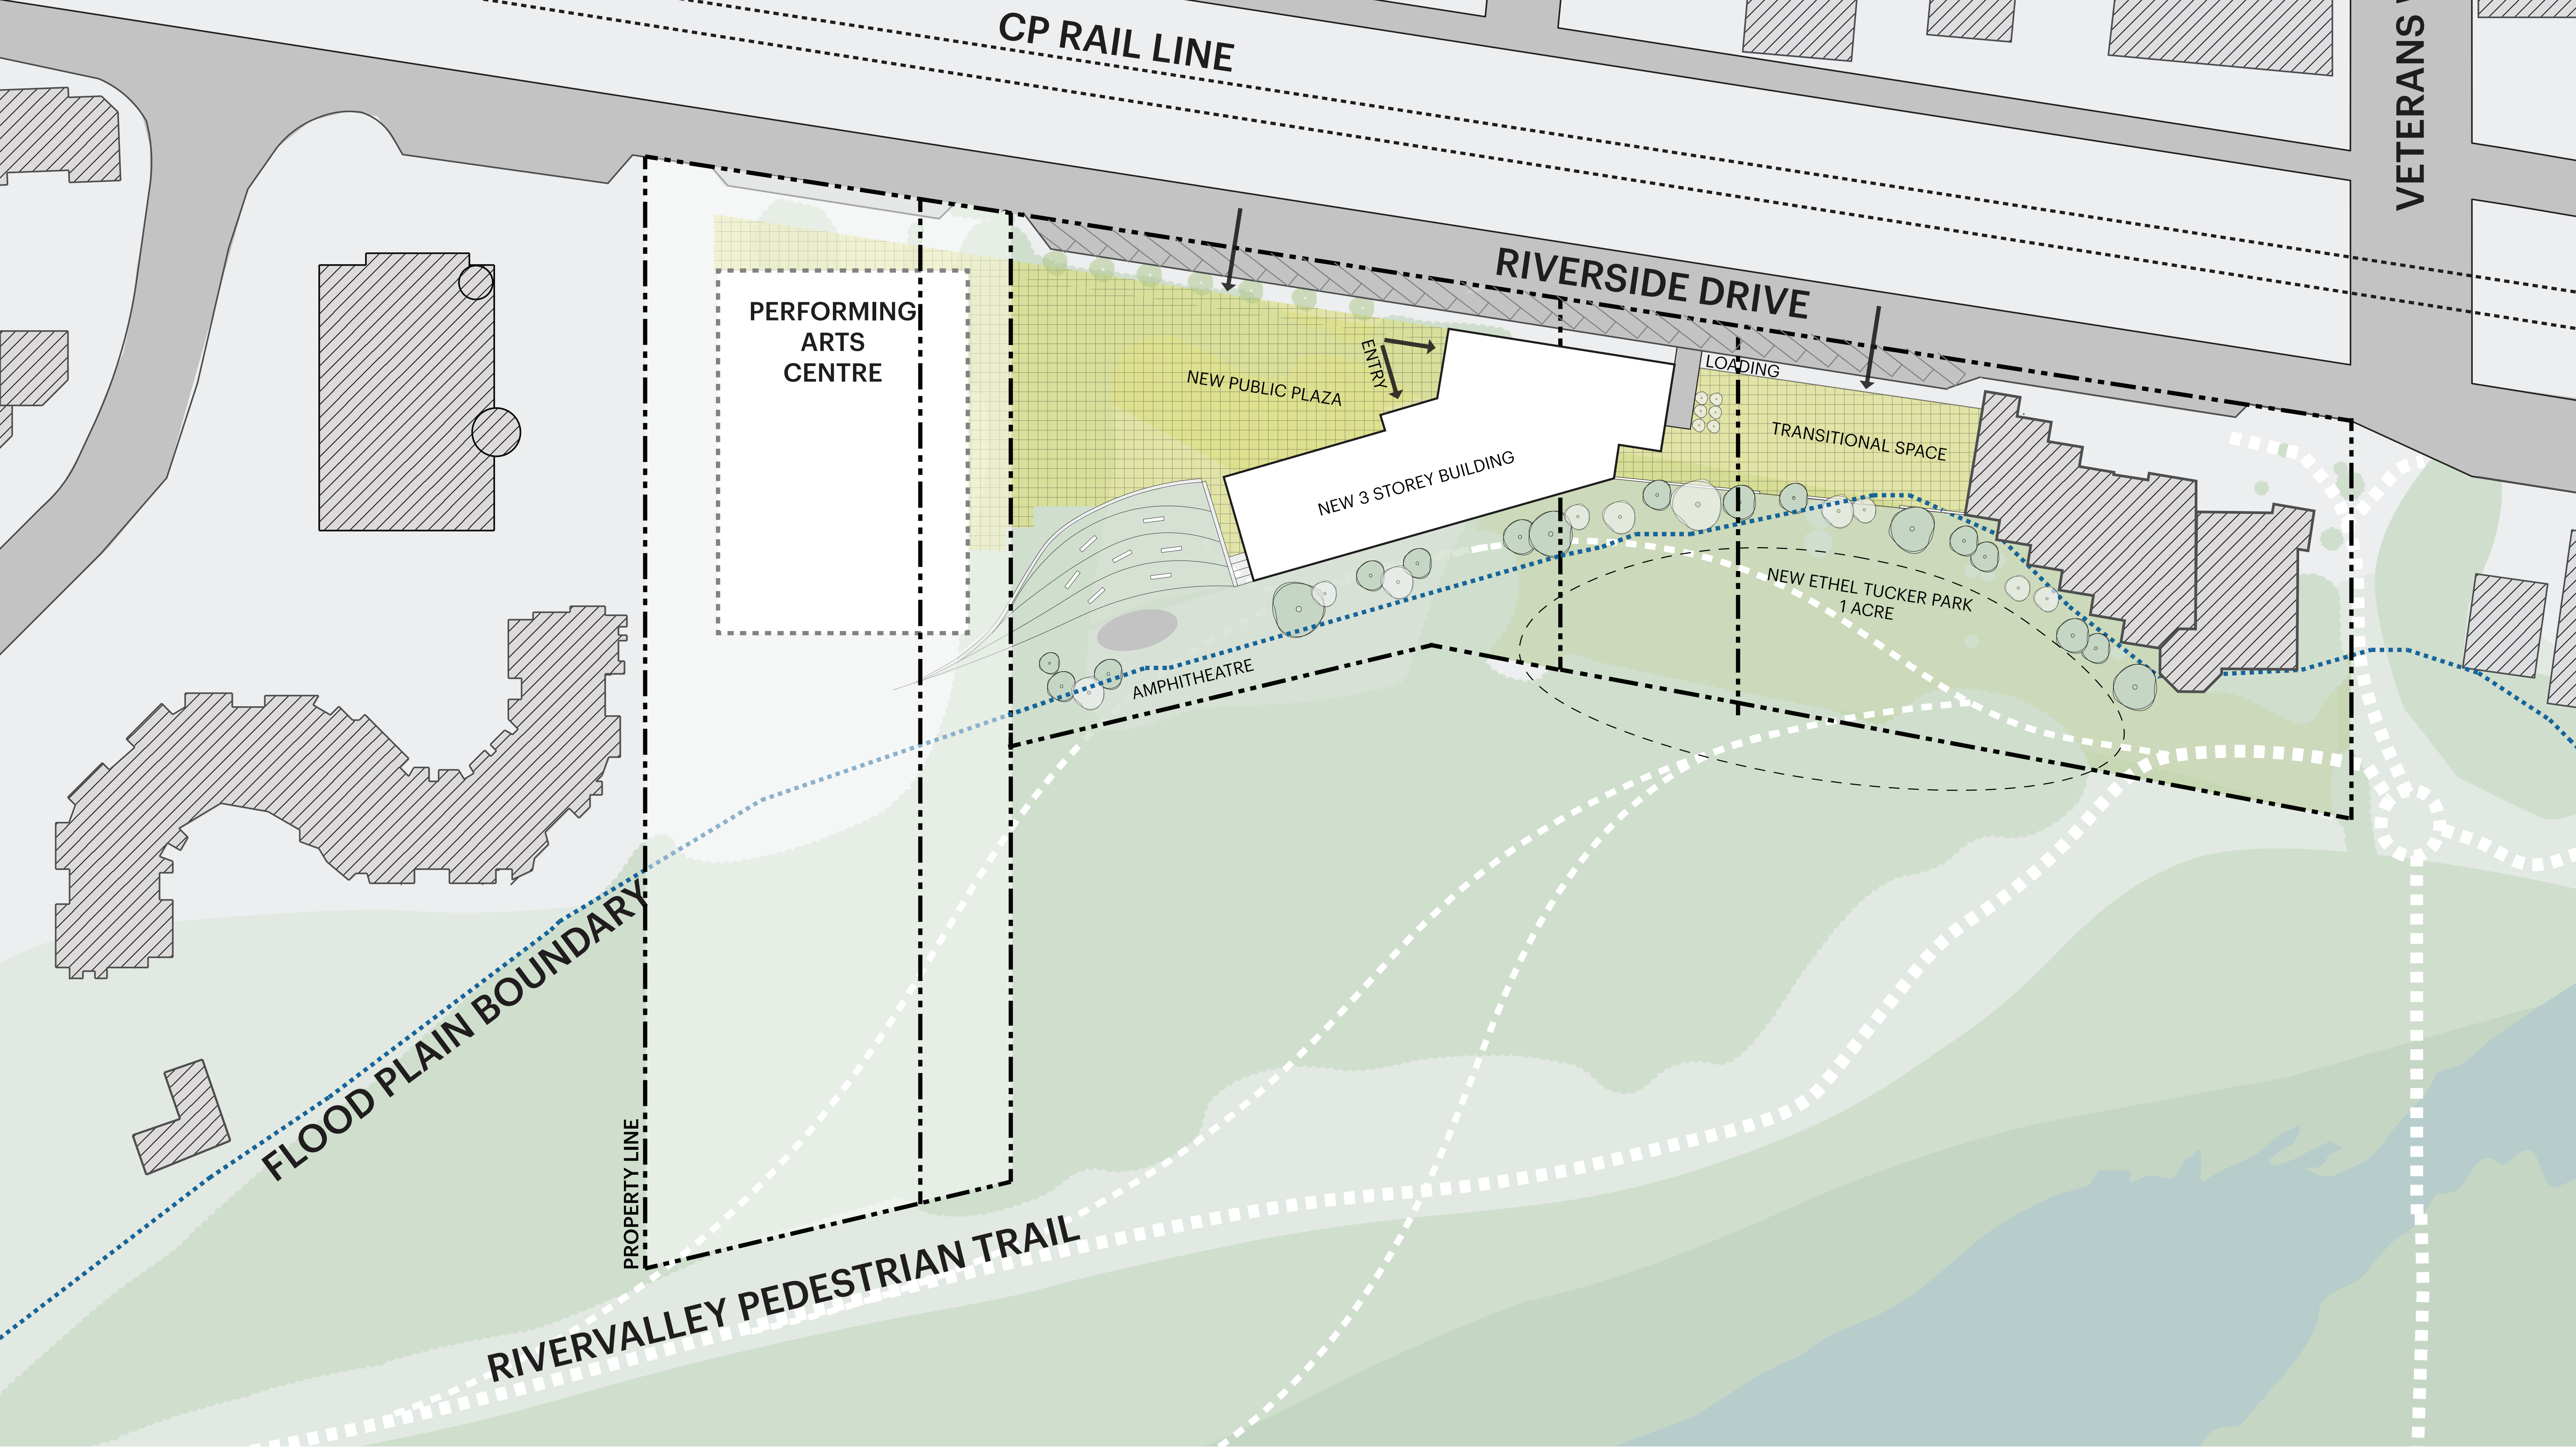

**THE PARTNERS:**

- Town of Okotoks
- Okotoks Public Library
- Christ the Redeemer Catholic Schools  
St. Luke's Outreach Centre
- Community Futures
- Foothills School Division
- Bow Valley College
- Okotoks Arts Council
