

# Dear Community Champion,

As the COVID-19 pandemic continues into the winter months, it is important to continue to strengthen your neighbourhood connections by getting to know people who live around you in a safe and positive way. Ensure you and your neighbours remain safe and follow all current Alberta Health restrictions and recommendations:

[www.alberta.ca/coronavirus](http://www.alberta.ca/coronavirus)

By helping your neighbours get to know one another you are helping to create a safer, more connected and resilient community.

**CELEBRATE**<sub>safely</sub>
