

Water Smart Business Grant

2022 GRANT APPLICATION FORM

FINAL APPLICATION DEADLINE IS MARCH 31, 2022 AT 5 P.M.

Thank you in advance for applying for a Water Smart Business Grant from the Town of Okotoks. This document will take you through the application process step-by-step. If you have any questions, please contact the Environment & Sustainability Coordinator at **403-995-6316** or email sustainability@okotoks.ca.

Use the **checkboxes** at the bottom of each step to help you track the completion of your application. Once you finish a section, simply click the box to indicate completion and move on to the next section. See the [Application Checklist](#) for guidance through the process.

FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT:

The personal information on this form is being collected under the authority of Section 33(c) of the Freedom of Information and Protection of Privacy Act (FOIP) and will be used for the administration of the Water Smart Business Grant. Should you have any questions regarding the collection and use of your personal information, contact the FOIP Specialist at foip@okotoks.ca or 403.938.8944.

Name of Applicant
Organization/Business:

Step 1 – Check Organization Eligibility:

Eligible applicant is (please check one):

- a. a federally or provincially registered non-profit society or charitable organization operating in Okotoks; or
- b. a school located in Okotoks; or
- c. a commercially-zoned business located within Okotoks (note: home-based businesses not eligible).

The organization’s water utility account number with the Town of Okotoks is _____

The organization’s business license number with the Town of Okotoks is _____

COMPLETE

Step 2 –Project Category & Eligibility:

The proposed project must fall under one of the following categories, must demonstrate water conservation benefits while following Town policies and bylaws, and may include 1 or more of the following:

- 1) Water-wise landscaping (Xeriscaping);
- 2) Irrigation system upgrades;
- 3) Rainwater/Storm water capture/reuse;
- 4) Indoor water fixture upgrades

Preference shall be given to eligible projects that illustrate some or all of the following (as outlined in the [Guide to the Water Smart Business Grant](#)):

- a. the project will result in a significant reduction in water use;
- b. the water conserving measures taken by the project are explained in depth;
- c. the process taken to complete the project is explained well;
- d. the project timeline is well laid out;
- e. the budget for the project is detailed and makes sense;
- f. the grant funding helps leverage funding from other sources in order to see more water savings; and
- g. where applicable, the project demonstrates decreases in costs for renters/residents not directly connected to the water utility of the landscape/building they inhabit.

For a detailed checklist to steer you through the application process, download the Water Smart Business Grant [Application Checklist](#).

The applicant has read Step 2, and has downloaded, read, and understands guide to the Business Grants and the application checklist.

Step 3 – Contact Town of Okotoks – Environment & Sustainability

To review eligibility of your project, you may consult with the Town of Okotoks Environment & Sustainability staff prior to submitting an application. You may contact the Coordinator by [email](#), phone or in person. **Please ensure that you read ALL supporting documentation before calling the Town.**
