## **TOWN OF OKOTOKS**

### **ENVIRONMENTAL PROTECTION AND ENHANCEMENT ACT**

#### **NOTICE OF APPLICATION**

In accordance with the Environmental Protection and Enhancement Act (EPEA), the Town of Okotoks has applied for an amendment to the Town's EPEA approval for the Town's waterworks system.

The application explains that the Town proposes to construct and operate a new raw water pump station. The pump station would be located near the confluence of the Highwood River and the Bow River in the NW 26-021-28-W4 in Foothills County. The pump station would pump to the Town of Okotoks waterworks system a maximum of 28.5 ML/day of water produced by the induced infiltration intake. Foothills County and the Town of Okotoks are joint owners of the project.

A directly affected person may provide input into certain regulatory decisions, as allowed by the Environmental Protection and Enhancement Act (section 73).

Specifically, any person who is directly affected by this application may submit a written statement of concern within 30 days of the date of this notice to:

Environment and Parks  
Regulatory Approvals Center  
5th Floor, South Petroleum  
Plaza 9915 - 108 Street  
Edmonton, AB T5K 2G8  
Fax: (780) 422-0154  
E-mail: [aep.epeaapplications@gov.ab.ca](mailto:aep.epeaapplications@gov.ab.ca)

The written statement of concern should include the following:

- the application number 024-1029
- describe concerns that are relevant to matters regulated by the Environmental Protection and Enhancement Act
- explain how the filer of the concern will be directly affected by the activities proposed in the application
- provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- state the distance between the land owned or used by the filer and the site in the application
- contact information including the full name and mailing address of the filer. Please provide a telephone number and/or email address for ease of contact.

Environment and Parks will review each written statement of concern, seek more information if needed, and notify each filer by letter of the decision to accept or reject their written submission as a valid statement of concern. The Public Notice of this application will also be posted on the Department's website at <https://avw.alberta.ca/PublicNoticesViewer.aspx>.

Statements of concern submitted regarding this application are public records which are accessible by the public and the applicant. Failure to file a statement of concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.
