

PUBLIC NOTICE

Town of Okotoks

WATER ACT

NOTICE OF APPLICATION

Notice is given that the **Town of Okotoks** has filed an application under the provisions of the *Water Act* for construction of an infiltration water intake and pump station, within the floodplain, near the confluence of the Highwood River and the Bow River at NW 26-021-28-W4 in Foothills County for the purpose of the Foothills Okotoks Regional Water Project. Foothills County and the Town of Okotoks are joint owners of the project.

Any person who is directly affected by this application may submit a Statement of Concern within **seven (7)** days of the date of this notice within the Digital Regulatory Assurance System (DRAS) using a MyAlberta Digital ID (MADI) or MyAlberta Digital ID for Business (MADI-B) account to access <https://www.alberta.ca/digital-regulatory-assurance-system.aspx>

Alternatively, you may submit a written Statement of Concern to Environment and Parks, Approvals Unit, 5th Floor, South Petroleum Plaza, 9915 108 Street, Edmonton, Alberta T5K 2G8 or by email to: aep.waapplications@gov.ab.ca

The written statement of concern should include the following:

- Quote the Case number: **DAPP0002900**
- Describe concerns that are relevant to matters regulated by the *Water Act*
- Explain how the filer of the concern will be directly affected by the activity proposed in the application
- Provide the legal land location of the land owned or used by the filer where the concerns described are believed to be applicable
- State the distance between the land owned or used by the filer and the site in the application
- Contact information including the full name and mailing address of the filer. Please provide the telephone number and email address for ease of contact.

Environment and Parks will review each written Statement of Concern, seek more information if needed, and notify each filer by letter of the decision to accept or reject their written submission as a valid Statement of Concern.

Statements of Concern submitted regarding this application are public records, which are accessible by the public and the applicant. Failure to file a Statement of Concern may affect the right to file a Notice of Appeal with the Environmental Appeals Board.

Copies of the application and additional information can be obtained from:
