Policy Statement

In order to increase arts and culture activity, promote visitation, and provide funding that supports arts development and artists, the Arts and Culture Activation Grant will support new evening and weekend arts and culture events, activities, and programs. Arts and Culture are economic, social, and place-making drivers that support the economic and social development and vibrancy of the Town.

Objective

Okotoks may provide:

- limited assistance to support artists and arts development in Town by encouraging the production of new special events, live entertainment productions, and other activities that promote local non-profit organizations and the arts community;
- limited assistance to activate Okotoks through arts and culture by incentivising new evening and weekend events; and
- limited assistance to incentivise and assist non-profit organizations to build partnerships and operational capacity.

Purpose

This Policy will:

- attract residents and visitors to Okotoks;
- invigorate Okotoks spaces and the downtown core by promoting a thriving evening and weekend economy;
- bolster activity for local vendors, artisans, craftspeople, restaurateurs, hoteliers, and innkeepers, etc.;
- empower external stakeholders to create and provide unique activities and events;
- promote local level partnerships and funding;
- create civic engagement and build social capital;
- maximize and rationalize the use of Town facilities;
- bolster community pride and strengthen community;
- contribute to creating a more livable community; and
- enrich physical environments such as streetscapes, plazas, Town buildings, etc.

Criteria

Grant funding will be determined using a decision-making matrix based on the following eligibility criteria, including but not limited to:

1. events that are new;
2. events that are scheduled in the evenings and weekends;
3. events presenting an opportunity for attendees to experience Okotoks arts and culture;
