### **Policy Statement**

The Town of Okotoks shall have policy and process for the formal consideration and official naming of roadway, parks, neighbourhoods, and facilities.

### **Purpose**

To establish a process whereby naming is undertaken on a proactive rather than reactive basis, and to ensure that naming is in the control of the Town rather than developers.

### **Objectives**

This Policy will be used for the naming of:

- a. Public and private roadways, and bridges;
- b. Area structure and outline plans;
- c. New residential neighbourhoods and revisions and adjustments to existing names and boundaries;
- d. New industrial districts and revisions and adjustments to existing names and boundaries;
- e. Public buildings or structures, excluding schools; and
- f. Public parks and open space.

When names are considered, regard shall be given to the historical significance of names inasmuch as they relate to the matters under consideration and to the suitability of names in relation to the use and function of the highway, neighbourhood, district, facility, etc. under consideration.

This Policy will not apply to:

- a. Sponsorship;
- b. Advertising; and
- c. Naming rights.

## **Guidelines**

### **1. Definitions**

In this Policy:

- 1.1. Geographical Location - refers to a unique landmark, physical features, or topographical layout of an area.
- 1.2. Historical Significance - means tangible culture (such as buildings, monuments, and artifacts) and intangible culture (such as traditions, language, and persons(s)) that have had a significant connection to the past or had an impact in shaping the community. The name may reflect early pioneers; pioneering ethnic groups who settled and developed this town and surrounding areas; indigenous names as recommended by the nations whose traditional territory that Okotoks is located within.
- 1.3. Honoured Citizen - means persons who have contributed and/or participated in a diverse range of public service, community activities, acts of heroism or achievement.
- 1.4. Sponsorship - means a contractual arrangement for a defined period of time where a third party provides goods, services, or financial contribution in return for access to the commercial/marketing potential associated with rights to be publicly denoted as being a sponsor of the Town service, program, event, activity or sub-component of a Town asset and/or rights for the inclusion and public display of the third party's name as part of the name of a Town service, program, event, activity, or sub-component of a Town asset.

### **2. General**

- 2.1. The name shall not be duplicated nor shall it approximate phonetically the name of any other area, street or facility already named within the Town of Okotoks or within the urban growth area for possible future annexation as identified in the Intermunicipal Development Plan.
- 2.2. Names may fall into three categories: Geographical Location; Historical Significance; Honoured Citizen; and may establish the basis of a theme for subsequent naming within a larger area.
- 2.3. The name shall not be suffixed with "Park" unless the facility falls under the park naming category (see section 4 listed below).
- 2.4. The name shall be determined and applied in accordance with the specific requirements and procedures set out in this Policy.
- 2.5. The suffix attached to a roadway must not already appear in the neighbourhood name.

### 3. Roads

- 3.1. Following annexation, existing roadways within urban growth areas shall retain existing names (wherever possible) or be re-designated in accordance with this Policy when development plans are approved for the area.
- 3.2. The names of all roadways within new residential areas shall be prefixed with either the neighbourhood name or an approved naming theme, and have suffixes applied in accordance with this Policy.
