INDEPENDENT AUDITOR'S REPORT

To: The Mayor and Members of Council of
the Town of Okotoks

Opinion

We have audited the consolidated financial statements of the Town of Okotoks which comprise the consolidated statement of financial position as at December 31, 2025, and the consolidated statements of operations, remeasurement gains and losses, change in net financial assets and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Town of Okotoks as at December 31, 2025, the results of its operations, remeasurement gains and losses, change in its net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

INDEPENDENT AUDITOR'S REPORT, continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

Management of the Town of Okotoks is responsible for the preparation, accuracy, objectivity and integrity of the accompanying consolidated financial statements and all other information contained within this Financial Report. Management believes that the consolidated financial statements present fairly the Town's financial position as at December 31, 2025 and the results of its operations for the year then ended.

The consolidated financial statements have been prepared in compliance with legislation, and in accordance with Canadian public sector accounting standards (PSAS).

The consolidated financial statements include certain amounts based on estimates and judgments. Such amounts have been determined on a reasonable basis in order to ensure the consolidated financial statements are presented fairly in all material respects.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, management has designed and maintains a system of internal controls to produce reliable information and to meet reporting requirements on a timely basis. The system is designed to provide management with reasonable assurance that transactions are properly authorized and assets are properly accounted for and safeguarded.

These systems are monitored and evaluated by management and reliable financial information is available for preparation of the consolidated financial statements.

Council meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements. Also, the Mayor and Council are responsible for the appointment of the Town's external auditors.

The consolidated financial statements have been audited by Avail LLP Chartered Professional Accountants, the independent external auditors appointed by the Town. The accompanying independent Auditor's Report outlines their responsibilities, the scope of the examination and their opinion on the Town's consolidated financial statements.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

1. Significant accounting policies

The consolidated financial statements of the Town of Okotoks are the representations of management prepared in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by the Town are as follows:

(a) Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenue and expenses, changes in fund balances and change in financial position of the reporting entity which comprises all of the organizations that are owned or controlled by the Town and are, therefore, accountable to the Council for the administration of their financial affairs and resources.

Taxes levied also includes requisitions for education, health, social and other external organizations that are not part of the municipal reporting entity.

The statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

(b) Basis of accounting

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

(c) Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expense during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

There is measurement uncertainty related to asset retirement obligations as it involves estimates in determining settlement amount, discount rates and timing of settlement. Changes to any of these estimates and assumptions may result in change to the obligation.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

1. Significant accounting policies, continued

(d) Valuation of financial assets and liabilities

The Town's financial assets and financial liabilities are measured as follows:

Financial statement component	Measurement
Cash	Cost and amortized cost
Temporary investments	Amortized cost
Trade and other receivables	Lower of cost or net recoverable value
Investments	Fair value and amortized cost
Loans receivable	Amortized cost
Accounts payable and accrued liabilities	Cost
Bank indebtedness and long-term debt	Amortized cost

(e) Inventories for resale

Land held for resale is recorded at the lower of cost and net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping, and leveling charges. Related development costs incurred to provide infrastructure such as water and waste water services, roads, sidewalks, and street lighting are recorded as physical assets under their respective function.

(f) Investments

Investments in derivatives and equity instruments quoted in an active market are carried at fair value with transactions costs expensed upon initial recognition. Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses. When the investment is disposed of the accumulated gains or losses are reclassified to the statement of operations. Investments in interest bearing securities are recorded at amortized cost. Investment premiums and discounts are amortized on the net present value basis over the term of the respective investments. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

(g) Deferred revenue

Deferred revenue represent government transfers, donations, and other amounts which have been collected, but for which the related services have yet to be performed or agreement stipulations have not been met. These amounts will be recognized as revenues when revenue recognition criteria have been met. Interest earned on deferred revenues, reserves, and offsite levies are calculated using an average investment earnings monthly.

(h) Long-term debt

Long-term debt is initially recognized net of any premiums, discounts, fees and transactions costs, with interest expense recognized using the effective interest method. Long-term debt is subsequently measured at amortized cost.

(i) Tax revenue

Tax revenues are recognized when the tax has been authorized by bylaw and the taxable event has occurred. Requisitions operate as a flow through and are excluded from municipal revenue.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

1. Significant accounting policies, continued

(j) Government transfers
Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return. Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

(k) Revenue recognition
Revenue from transactions with no performance obligation is recognized at realizable value when the Town has the authority to claim or retain an inflow of economic resources and identifies a past transaction or event giving rise to an asset.

Revenue from transactions with performance obligations is recognized as the performance obligations are satisfied by providing the promised goods or services to the payor. User fees are recognized over the period of use, sales of goods are recognized when goods are delivered. Licences and permits with a single performance obligation at a point in time are recognized as revenue on issuance, those which result in a continued performance obligation over time are recognized over the period of the licence or permit as the performance obligation is satisfied.

(l) Contaminated sites liability
Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of a contaminated site is recognized when a site is not in productive use and is management's estimate of the cost of post-remediation including operation, maintenance and monitoring.

(m) Non-financial assets
Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the consolidated Change in Net Financial Assets for the year.

(i) Tangible capital assets
Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

	Years
Land improvements	15-75
Buildings	25-50
Engineered structures	25-75
Machinery and equipment	3-25
Vehicles	7-25

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

1. Significant accounting policies, continued

Amortization is charged in the month of acquisition and in the month of disposal. Assets under construction are not amortized until available for productive use.

- (ii) Contributions of tangible capital assets
Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.
- (iii) Intangible asset
Intangible assets are recorded at cost. The cost less residual value of the intangible assets with a finite life are amortized on a straight-line basis over their estimated useful life as follows:

	Years
Water licences - finite	25

Intangible assets with an indefinite life are not amortized and are monitored annually for impairment.

- (iv) Leases
Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.
- (v) Inventories
Inventories held for consumption are recorded at the lower of cost and replacement cost.
- (vi) Cultural and historical tangible capital assets
Cultural and historical assets such as works of art, historical and heritage sites are not recorded as tangible capital assets but are disclosed.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

1. Significant accounting policies, continued

(n) Asset retirement obligation

A liability for an asset retirement obligation is recognized at the best estimate of the amount required to retire a tangible capital asset at the financial statement date when there is a legal obligation for the Town to incur retirement costs, the past transaction or event giving rise to the liability has occurred, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to asset retirement activities, based on information available at year-end. The best estimate of an asset retirement obligation incorporates a present value technique, when the cash flows required to settle or otherwise extinguish an asset retirement obligation are expected to occur over extended future periods.

When a liability for an asset retirement obligation is initially recognized, a corresponding asset retirement cost is capitalized to the carrying amount of the related tangible capital asset. The asset retirement cost is amortized over the useful life of the related asset. Asset retirement obligations which are incurred incrementally with use of the asset are recognized in the period incurred with a corresponding asset retirement cost expensed in the period.

At each financial reporting date, the Town reviews the carrying amount of the liability. The Town recognizes period-to-period changes to the liability due to the passage of time as accretion expense. Changes to the liability arising from revisions to either the timing, the amount of the original estimate of undiscounted cash flows or the discount rate are recognized as an increase or decrease to the carrying amount of the related tangible capital asset. The Town continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

2. Future accounting pronouncements

The following summarizes the upcoming changes to the Public Sector Accounting Standards by the Public Sector Accounting Board (PSAB). While the timing of standard adoption may vary, certain standards must be adopted concurrently.

a) The Conceptual Framework of Financial Reporting in the Public Sector

The Conceptual Framework is the foundation for public sector financial reporting standard setting. It replaces the conceptual aspects of Section PS 1000 Financial Statement Concepts and Section PS 1100 Financial Statement Objectives. The conceptual framework highlights considerations fundamental for the consistent application of accounting issues in the absence of the specific standards. The standard is applicable for the fiscal years beginning on or after April 1, 2026.

b) PS 1202 Financial Statement Presentation

Section PS 1202 sets out general and specific requirements for the presentation of information in general purpose financial statements. The financial statement presentation principles are based on the concepts within the Conceptual Framework. The standard is applicable for the fiscal years beginning on or after April 1, 2026.

The Town is continuing to assess the impact as it prepares for the adoption of these standards.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

3. Cash and temporary investments

The Town has authorized a line of credit with TD Commercial Banking to a maximum of \$6,500. The line of credit bears interest at the prime rate. As at December 31, 2025, the line of credit was undrawn.

Included in cash is \$1,455 (2024 - \$1,322) of deposit liability funds which are not available for current purposes.

4. Taxes and grants in place of taxes receivables

	2025	2024
Taxes and grants in place of taxes receivable	\$ 1,466	\$ 1,319
Arrears	456	273
	\$ 1,922	\$ 1,592

5. Trade and other receivables

	2025	2024
Trade receivables	\$ 5,409	\$ 5,062
Utility receivables	2,636	2,808
Provincial grants	2,255	407
GST	1,492	174
Investment receivables	1,013	1,079
Federal grants	295	-
Recreation receivables	217	303
Allowance for doubtful accounts	(78)	(75)
	\$ 13,239	\$ 9,758

6. Investments

	2025		2024	
	Carrying value	Market value	Carrying value	Market value
Bonds	\$ 60,663	\$ 60,938	\$ 58,880	\$ 57,730

The investments consist of bonds and principal protected notes that earn interest at rates between 1.67% and 5.30% with maturity dates between 2026 and 2035.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

7. Employee benefit obligations

	2025	2024
Vacation and overtime	\$ 1,122	\$ 1,065
Long-term service benefit	542	541
Health care spending account	238	181
	\$ 1,902	\$ 1,787

Vacation and overtime

The vacation and overtime liability is comprised of amounts that employees are deferring to future years. Employees have either earned the benefits (and they are vested) or are entitled to these benefits within the next budgetary year.

Long service benefits

The long service benefit liability is comprised of one day salary per year of service (at current pay rates) for those employees with ten or more years of service, as per policy. The liability will be paid upon retirement subject to compliance with the terms and arrangements at that time.

Health care spending account

The health care spending account liability is comprised of unused balances in employees accounts, which can be carried forward for up to two years.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

9. Long-term debt, continued

Tax-supported debt represents the amount funded by municipal taxes. Self-supported debt represents the amount funded through self-supported municipal operations including offsite levies collected from developers, water and sanitary. In addition, Clean Energy Improvement Program debt represents the amount funded through individual taxpayers.

Debenture debt

Principal and interest repayments are due as follows:

	Principal	Interest	Total
2026	\$ 1,680	\$ 1,633	\$ 3,313
2027	1,734	1,579	3,313
2028	1,790	1,523	3,313
2029	1,848	1,464	3,312
2030	1,907	1,404	3,311
Thereafter	40,343	13,530	53,873
	\$ 49,302	\$ 21,133	\$ 70,435

Debenture debt is repayable to the Treasury Board and Finance and TD Commercial Banking. Debentures outstanding at December 31 bear interest at rates ranging from 2.42% to 3.85% (2024 - 2.42% to 3.12%) per annum, before Provincial subsidy, and mature in periods 2037 through 2050.

Debenture debt is issued on the credit and security of the Town at large.

Interest on long-term debt amounted to \$1,104 (2024 - \$553).

The Town's total cash payments for interest in 2025 were \$1,014 (2024 - \$558).

Clean Energy Improvement Program

Federation of Canadian Municipalities operating loan is for the Clean Energy Improvement program. Interest only is paid until the end of 2027 and after which the loan will be repayable by semi annual principal and interest payments. The loan matures in 2049.

Principal and interest repayments are due as follows:

	Principal	Interest	Total
2026	\$ -	\$ 11	\$ 11
2027	-	16	16
2028	27	11	38
2029	27	11	38
2030	27	10	37
Thereafter	491	94	585
	\$ 572	\$ 153	\$ 725

10. Asset retirement obligation

Asbestos abatement

The Town owns and operates several buildings that are known to have vermiculite and chrysotile, which represents a health hazard upon demolition of the building and there is a legal obligation to remove it. Following the adoption of PS3280 - Asset retirement obligations, the Town recognized an obligation relating to the removal and post-removal care of the vermiculite and chrysotile in these buildings. The buildings had an estimated useful life of 50 years when they were purchased, of which remaining useful lives are between 23 to 35 years.

The Town has a relatively small amount of underground asbestos cement pipe for water and wastewater services. This old pipe is being remediated as the pipe is replaced.

Water wells abandonment

The Town owns and operates many water source wells throughout the Town. The Town is required to properly abandon these wells at the end of their useful life.

Estimated costs have been discounted to the present value using a discount rate of 2.00% per annum. The transition and recognition of asset retirement obligations involved an accompanying increase to the capital assets. The Town has not designated assets for settling the abatement activities.

20. APEX supplementary pension plan

The APEX supplementary pension plan, an Alberta Urban Municipalities Association (AUMA) sponsored defined benefit pension plan covered under the provisions of the Alberta Employment Pension Plans Act, commenced on January 1, 2003 and provides supplementary pension benefits to a prescribed class of employees. The plan supplements the Local Authorities Pension Plan.

Contributions are made by the prescribed class of employees and the Town. Employees of the Town are required to make current service contributions to APEX of 2.42% (2024 - 2.42%) on pensionable earnings up to \$188 (2024 - \$181). The Town is required to make current service contributions to APEX of 2.96% (2024 - 2.96%) on pensionable earnings up to \$188 (2024 - \$181).

Total current service contributions by the Town to APEX in 2025 were \$119 (2024 - \$112). Total current service contributions by the employees of the Town were \$97 (2024 - \$91).

21. Local authorities pension plan

Employees of the Town participate in the Local Authorities Pension Plan (LAPP), which is one of the plans covered by the Alberta Public Sector Pensions Plans Act. The LAPP is financed by the employer and employee contributions and by investment earnings of the LAPP Fund.

Contributions for current service are recorded as expenditures in the year in which they become due.

The Town is required to make current service contributions to the LAPP of 8.45% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 11.65% on pensionable earnings above this amount.

Total current service contributions by the Town to the LAPP in 2025 were \$2,381 (2024 - \$2,116). Total current service contributions by the employees of the Town to the LAPP in 2025 were \$2,127 (2024 - \$1,890).

At December 31, 2024, the LAPP disclosed an actuarial surplus of \$19.56 billion.

22. Salary and benefits disclosure

Disclosure of salaries and benefits for elected municipal officials, the chief administrative officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

	(1) Salary	(2) Benefits & allowances	2025	2024
Council				
T. Thorn, Mayor	\$ 109	\$ 4	\$ 113	\$ 109
S. Dykema	8	1	9	-
O. Hallmark	49	8	57	55
K. Heemeryck	42	1	43	47
G. Lang	48	1	49	47
R. Nix	8	1	9	-
C. Penner	7	1	8	-
B. Robinson	42	7	49	52
R. Swendseid	42	1	43	46
M. Walther	8	1	9	-
C. Actemichuk	-	-	-	11
Chief Administrative Officer	305	44	349	344
Designated Officer, Senior Assessor	\$ 119	\$ 22	\$ 141	\$ 137

(1) Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria, vacation payouts and any other direct cash remuneration.

(2) Benefits and allowances include the employer's share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, vision coverage, group life insurance, accidental disability and dismemberment insurance, long- and short-term disability plans, professional memberships, and tuition.

Benefits and allowances figures also include the employer's share of the costs of additional taxable benefits including special leave with pay, financial planning services, retirement planning services, concessionary loans, travel allowances, car allowances, and club memberships.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

23. Segmented disclosure

The Town provides a range of services to its ratepayers. For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements, disclosed in Note 1.

Refer to the schedule of segmented disclosure (schedule 3).

General government includes council and other legislative, and general administration. Protective services includes bylaw enforcement, police, and fire. Transportation includes roads, streets, walks and lighting. Planning and development includes land use planning, zoning and subdivision land and development. Public health and welfare includes family and community support. Recreation and culture includes parks and recreation, libraries, museums and halls. Environmental use and protection includes water supply and distribution, wastewater treatment and disposal, and waste management.

24. Contaminated sites liability

The Town did not identify any financial liabilities in 2025 (2024 - nil) as a result of contaminated sites.

25. Commitments and contingencies

a) The Town of Okotoks is a member of the Alberta Local Authorities Reciprocal Insurance Exchange. Under the terms of membership, the Town could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.

b) No provisions have been made for any potential legal claims that may be filed against the Town, as management believes the Town has minimal exposure as at December 31, 2025.

c) The Town also participates in the following boards, authorities and associations:

- Foothills Regional Emergency Services Commission
- Foothills Regional Services Commission
- Okotoks Public Library Board
- Westwinds Communities

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

26. Debt limits and debt servicing limit

Section 276(2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation 255/00 for the Town be disclosed as follows:

	2025	2024
Total debt limit	\$ 138,485	\$ 130,531
Total debt	49,302	20,597
	\$ 89,183	\$ 109,934
Debt servicing limit	\$ 23,081	\$ 21,755
Debt servicing	3,313	1,446
	\$ 19,768	\$ 20,309

The debt limit is calculated at 1.5 times revenue of the municipality (as defined in Alberta Regulation 255/00) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities which could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the financial statements must be interpreted as a whole.

* The Town has internally restricted the Debt Limit and Debt Servicing Limit amounts to 75% of the values permissible by Alberta Regulation 255/00, or \$103,864 and \$17,311 respectively.

27. Financial instruments

The Town's financial instruments consist of cash and temporary investments, accounts receivable, investments, accounts payable and accrued liabilities, deposit liabilities, and long-term debt. It is management's opinion that the Town is not exposed to significant interest, liquidity or currency risk arising from these financial instruments.

The Town is subject to credit risk with respect to taxes and grants in place of taxes receivables and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the Town provides services may experience financial difficulty and be unable to fulfil their obligations. The large number and diversity of taxpayers and customers minimizes the credit risk.

Unless otherwise noted, the carrying value of the financial instrument approximates fair value.

TOWN OF OKOTOKS
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the year ended December 31, 2025
(\$ thousands)

28. Budget amounts

The 2025 budget for the Town was approved by Council on November 19, 2024 and has been reported in the consolidated financial statements for information purposes only. These budget amounts have not been audited, reviewed, or otherwise verified.

The approved budget contained reserve transfers, capital additions and principal payments on debt as expenditures. Since these items are not included in the amounts reported in the consolidated financial statements, they have been excluded from the budget amounts presented in these financial statements.

Budgeted surplus per financial statements	\$	288
Less: Capital expenditures		(37,029)
Long-term debt repayments		(966)
Transfers to reserves		(7,969)
Add: Amortization		13,395
Transfers from reserves		32,281
<hr/>		
Equals: Balanced budget	\$	-
<hr/>		

29. Approval of financial statements

These financial statements were approved by Council and Management.

30. Comparative figures

Certain comparative figures have been reclassified to conform to the financial statement presentation adopted in the current year.

Information Return for Corporations Filing Electronically

- Do not send this form to the Canada Revenue Agency (CRA) unless we ask for it. We will not keep or return this form.
- Fill out this return for every initial and amended T2 Corporation Income Tax Return electronically filed with the CRA on your behalf.
- By filling out Part 2 and signing Part 3, you acknowledge that, under the federal Income Tax Act, you have to keep all records used to prepare your T2 return and provide this information to us on request.
- Part 4 must be filled out by either you or the electronic transmitter of your T2 return.
- Give the signed original of this return to the transmitter and keep a copy in your own records for six years.
- We are responsible for ensuring the confidentiality of your electronically filed tax information only after we have accepted your return.

Part 1 – Identification

Corporation's name Town Of Okotoks				Business number 10812 8687 RC0001	
Tax year start	Year Month Day 2025-01-01	Tax year-end	Year Month Day 2025-12-31	Is this an amended return? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
Email address: _____					
Most notices and other correspondence are delivered electronically to My Business Account by default, except when a corporation has changed its delivery preference to receive paper mail. By providing an email address, you are registering the corporation to receive email notifications from the CRA. The CRA will notify the corporation at the email address provided when new correspondence is available in My Business Account and may require immediate attention. For more information, see canada.ca/cra-business-email-notifications .					

Part 2 – Declaration

Enter the following amounts, if applicable, from the T2 return for the tax year noted in Part 1:

Net income or loss for income tax purposes from Schedule 1, financial statements, or General Index of Financial Information (GIFI) (line 300)	69,787,645
Part I tax payable (line 700)	
Part II.2 tax payable (line 705)	
Part III.1 tax payable (line 710)	
Part IV tax payable (line 712)	
Part IV.1 tax payable (line 716)	
Part VI tax payable (line 720)	
Part VI.1 tax payable (line 724)	
Part XIV tax payable (line 728)	
Net provincial and territorial tax payable (line 760)	
Total tax payable (line 770)	

Part 3 – Certification and authorization

I, Vincent Elaine CAO
Last name First name Position, office, or title

am an authorized signing officer of the corporation. I certify that I have examined the *T2 Corporation Income Tax Return*, including accompanying schedules and statements, and that the information given on the T2 return and this T183 Corp information return is, to the best of my knowledge, correct and complete. I also certify that the method of calculating income for this tax year is consistent with that of the previous tax year except as specifically disclosed in a statement attached to this return.

I authorize the transmitter identified in Part 4 to electronically file the *T2 Corporation Income Tax Return* identified in Part 1. The transmitter can also modify the information originally filed in response to any errors Canada Revenue Agency identifies. This authorization expires when the Minister of National Revenue accepts the electronic return as filed.

Ladies and Gentlemen:

This representation letter is provided in connection with your audit of the financial statements of the Town of Okotoks for the year ended December 31, 2025 for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with Canadian public sector accounting standards.

In making the representations outlined below, we took the time necessary to appropriately inform ourselves on the subject matter through inquiries of entity personnel with relevant knowledge and experience, and, where appropriate, by inspecting supporting documentation.

We confirm that (to the best of our knowledge and belief):

1. Financial Statements

We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated for:

- a) Preparing and fairly presenting the financial statements in accordance with Canadian public sector accounting standards;
- b) Providing you with:
 - i) Access to all information of which we are aware that is relevant to the preparation of the financial statements, such as:
 - A. Accounting records, supporting data and other relevant documentation,
 - B. Minutes of meetings (such as shareholders, board of directors and audit committees),
 - C. Information on any other matters, of which we are aware, that is relevant to the preparation of the financial statements;
 - ii) Additional information that you have requested from us for the purpose of the audit; and
 - iii) Unrestricted access to persons within the entity from whom you determine it necessary to obtain audit evidence.
- c) Ensuring that all transactions have been recorded in the accounting records and are reflected in the financial statements; and
- d) Designing and implementing such internal control as we determined is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. We have also communicated to you any deficiencies in the design and implementation or the maintenance of internal control over financial reporting of which management is aware.

2. Fraud and Non-Compliance

We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

We have disclosed to you the results of management's assessment of the risk that the financial statements may be materially misstated as a result of fraud.

We have disclosed to you:

- a) All of our knowledge in relation to actual, alleged or suspected fraud affecting the entity's financial statements involving:
 - i) Management;
 - ii) Employees who have significant roles in internal control; or
 - iii) Others where the fraud could have a material effect on the financial statements;
- b) All of our knowledge in relation to allegations of fraud or suspected fraud communicated by employees, former employees, analysts, regulators or others;
- c) All known instances of non-compliance or suspected non-compliance with laws and regulations, including all aspects of contractual agreements that should be considered when preparing the financial statements;
- d) All known, actual, or possible litigation and claims that should be considered when preparing the financial statements; and
- e) The results of our risk assessments regarding possible fraud or error in the financial statements.

3. Related Parties

We have disclosed to you the identity of all of the entity's related-party relationships and transactions of which we are aware. All related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Canadian public sector accounting standards.

4. Estimates

We acknowledge our responsibility for determining the accounting estimates required for the preparation of the financial statements in accordance with Canadian public sector accounting standards. Those estimates reflect our judgment based on our knowledge and experience of past and current events, and on our assumptions about conditions we expect to exist and courses of action we expect to take. We confirm that the methods, significant assumptions and the data used by us in making accounting estimates and related financial statement disclosures, including those measured at fair value, are appropriate to achieve recognition, measurement or disclosure that is in accordance with Canadian public sector accounting standards.

5. Subsequent Events

All events subsequent to the date of the financial statements and for which Canadian public sector accounting standards requires adjustment or disclosure have been adjusted or disclosed.

6. Going Concern

We confirm that the use of the going-concern basis of accounting in preparing the financial statements remains appropriate.

7. Commitments and Contingencies

There are no commitments, contingent liabilities/assets or guarantees (written or oral) that should be disclosed in the financial statements. This includes liabilities arising from contract terms, illegal acts or possible illegal acts, and environmental matters that would have an impact on the financial statements.

8. Adjustments

We have reviewed, approved and recorded all of your proposed adjustments to our accounting records. This includes journal entries, changes to account coding, classification of certain transactions and preparation of, or changes to, certain accounting records.

9. Misstatements

The effects of uncorrected misstatements are immaterial, individually and in aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to this letter.

10. Other Representations

Accounting Policies	All significant accounting policies are disclosed in the financial statements and are consistent with those used in the previous period.
Future Plans	We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities reflected in the financial statements
Contractual compliance	We have complied with the terms and conditions of all contractual agreements that could have a material effect, in the event of non-compliance, on the financial statements.
Fair values	We confirm that the significant assumptions, methods and data used in arriving at the fair values of financial instruments as measured and disclosed in the financial statements are reasonable and appropriate in the circumstances.
Inventories	The inventories recorded were the property of our entity and were determined by actual count, weight or measurement. They do not include any items billed to customers but not shipped, any items returned by customers for which credits have not been recorded, any items on consignment, or other arrangements either owned by us or by our suppliers. Inventories were measured on the same basis and were determined in the same manner as inventories at the end of the preceding period.
Material measurement uncertainties	The nature of all material measurement uncertainties has been appropriately disclosed in the financial statements, including all estimates where it is reasonably possible that the estimate will change in the near term and the effect of the change could be material to the financial statements.
Capital assets	Capital assets are recorded at cost. We have good and valid title to all capital assets reflected in the accounts relating thereto, and there are no liens or encumbrances on our assets. No material amounts relating to additions or improvements of capital assets were charged to expense during the year. The provision for amortization is based on the cost and expected economic useful lives of the property.
Receivables	The accounts receivable reflected in the accounts constitute valid claims against customers or other debtors. Receivables known to be uncollectible have been written off, and adequate provision has been made for anticipated adjustments or losses in connection with the collection of receivables.
Regulatory compliance	We are up to date with all corporate filings and annual returns. This includes all Canada Revenue Agency and HST/GST/PST returns.
Revenue recognition	We have recorded all revenue that met the following criteria: a) Persuasive evidence of an arrangement exists; b) Delivery has occurred, or services have been rendered; c) Price is fixed or determinable; and d) Collectability is reasonably assured.
Compliance with funding and grant agreements	We have disclosed to you all known instances of non-compliance or suspected non-compliance with our funding and grant agreements.

Yours truly,

Town of Okotoks
